

MathFest Registration Form

Why should you register?

When you register your students for the MathFest Competition, you open a new world of excitement and energy for math. You should use this event to get your students energized and thus producing more because they see themselves at the event. We realize that budgets are tight this year, but it is imperative that we provide the unparalleled opportunities that programs like MathFest bring to our campuses. When we train our students to be competitive in math, we sow the seeds that will change our kids for ever.

What confirmation will you receive?

Once you register, your school will receive a Welcome Packet that will give more information about the competition. You will be provided a list of the skills to be assessed and a time table for the event. We ask all schools to continue to visit our website for more information.

www.mathfestcompetition.com

Spread the word!

We want to ensure that all students have the opportunity to participate. Our program is open to public, private and home-school students in grades 1st—8th. If you need to speak with us or need a personal visit to your school system, please contact Dr. Boykins at (404) 391-0249.

**Register up to 100
students for Only \$225**

Registration Information

School Name: _____

School Address: _____

Contact Name: _____

Phone Number: _____

E-mail: _____

Indicate # of students to compete in the math competition in this box.

Registration fee

The registration fees help us to pay the expenses to conduct the competition which include the facility, transportation, and personnel needed to run this event. We have kept our fees low as possible to allow all schools to participate. The fees equate to \$2.25 per student.

**Send this form and your check for \$225 to MathFest Inc.,
130 Victoria Place, Fayetteville, GA 30214**
